****The exact percentage dividend to be paid, if any, to the unsecured creditors cannot be determined at this time and will not be determined until the closing of the case. There are many factors which can affect the dividend, such as, but not limited to: increased administrative expenses or other factors which may reduce the dividend; increased income to the estate which may increase the dividend; or a modified plan which may affect the dividend either way. Please refer to the latest Confirmed or Modified Chapter 13 Plan.**
